## Human Dimensions Resource Portal

*Human Dimensions of Natural Resources Conservation addresses the relationship of people to the land and wildlife. Through the understanding of human values, cultural ecology, a sense of place and economics, we are better prepared to effectively manage and conserve our natural resources. This resource portal links you to FWS-only licensed content as well as HD-related material from other agencies.*

## Communications & Outreach

### Creating Conversations for Conservation!

**We're glad to see you!** This SharePoint site unites those in the U.S. Fish & Wildlife Service who help fulfill our Mission through communications and outreach to the public. Visit the site often to:

- Connect with a network of your peers
- Find out about events happening in our community
- Share new ideas and innovations
- Learn about best practices and the concepts and principles used in our field
- Peruse our Library for the latest resources
- Locate training opportunities

Notice that the site is **easy to navigate using the links in the sidebar on the left**. If you ever get lost, just click on the touchstone in the upper-left corner, it will lead you back to the home page.

Watch our SharePoint Tour Video.

## Training

Below is a list of training resources, including on-site instructor-led training and distance learning.

### NCTC Communications, Outreach and Visitors Services Curriculum

NCTC offers a host Communications, Outreach and Visitor Services courses. For course descriptions and class dates, go to [DOI Learn](#).

- [NWRS Friends Academy \(NWRS Event\)](#)
- [Congressional Operations Seminar \(CLM8196\)](#)
- [Social Media and Digital Content Development \(CLM7157\)](#)
- [Critical Writing/Critical Thinking \(CLM3167\)](#)
- [National FWS Communications and Outreach Training Workshop \(CLM8200\)](#)
- [Developing and Working With Friends Groups \(CLM8113\)](#)
- [Cutting Edge Topics in Visitor Services Training \(CLM8250\)](#)
- [Accreditation in Public Relations Online Study Course \(CLM8185\)](#)
- [Internet Web Site Development for Fish and Wildlife Information \(CLM7154\)](#)
- [Human Dimensions of Natural Resource Conservation \(broadcast series\) \(CLM8225\)](#)
- [Public Outreach and Education: Overview and Program Planning \(CLM8101\)](#)
- [How to Write a News Release That Works \(self-study distance learning; enroll through DOI Learn - search catalog using course title\)](#)

### Public Relations Society of America (PRSA)

PRSA offers both in-person, live online, and recorded on-demand training. If you have a PRSA membership, all online and on-demand training is **FREE** and in-person training is discounted. You will need your PRSA membership number to receive a discount. Visit the [PRSA web site](#) for a course listing.
